To Whom It May Concern:

Both our children have gone to Little Treasures Day Care Nursery over the last 4 years where Pauline McClusky has been the Nursery Supervisor.

I cannot recommend Pauline highly enough as I have always found her to be genuinely welcoming, attentive and caring. My youngest daughter has developed a special bond with Pauline and describes her as "a fun girl".

Pauline will be an asset to any nursery and sorely missed, in my opinion, at Little Treasures by both the children and their parents.

I wish her every success.

Yours faithfully
