

TO WHOM IT MAY CONCERN

I have employed Mrs Pauline McCluskey for the last five years as the Nursery Supervisor to Little Treasures Nursery.

Pauline is a very conscientious and reliable worker who produces a high standard in all tasks that are undertaken.

Pauline, I am pleased to convey, not only coped well with improving the standards and the quality of the nursery over the last five years, but was always very helpful and assisted with all the Government changes over the last five years.

Pauline has always been a good communicator with other members of staff and parents, but her real talents are that she has always should a genuine caring attitude towards the children in her care.

I would have no hesitation in recommending her for any managerial position within a nursery.

I wish her every success in her future employment.

Yours sincerely

Karen Harkins
