**For any future employer of Mrs Pauline McCluskey**

I have known Pauline in her capacity of Nursery Supervisor for the last 3 years. Within that time she has become a close friend of both my children. She is warm and friendly and very approachable about any aspect of the children's welfare whether it be personal or educational.

Pauline has the ability to gain respect from the children in a friendly yet professional manner and because of that my children have learnt how to respond towards adults and children. Pauline is very thorough when planning activities for the nursery, following the guidelines that she has been set, she encourages all the children to participate and learn from these activities. Pauline has the ability to work well with all ages of children, from the very young to the children going off to school, ensuring that they are well prepared for this transition.

Both my children will miss Pauline dearly, one of which left Nursery two years ago and still she plays a big part in his life. The other is about to leave Nursery for School and because of Pauline's intervention is very well prepared to go and she will miss Pauline terribly, as will all the children Nursery.

Pauline has been a great asset to Little Treasures and will be a huge loss; however, no matter where Pauline will work she will always become an asset to them making any job a success and having lots of friends along the way.
